Journalism for Change

Suston is a magazine with a mission. We strive to guide, inspire, and push the outdoor community toward a more sustainable future.

Through our printed magazine and digital channels, we share solutions and best cases.

We are supported by leading outdoor organizations and companies that communicate their achievements and goals to Suston's growing audience.

Suston Magazine and the team also collaborate with the major international outdoor and sustainability events.

Join us on our mission!

Target groups

Suston's followers are both influential and important for the transition toward a more sustainable outdoor future.

The sustainability professional

Our core readers are sustainability managers and other experts within the industry.

The store manager

Retailers and their staff are the intersection between the industry and its end-consumers.

The communicator

Marketing teams and other experts stay informed on how to spread important messages.

The outdoor activist

The end-consumers who put sustainability first are searching for both inspiration and trustworthy guidance.

NORR AGENCY

Suston Magazine is published by NORR Agency. We are an independent publishing house and editorial agency based in Stockholm. We work both with print and digital media, and produce magazines and sustainability communication in several languages. Examples from the portfolio include:

NORR Magazin

Our German-language outdoor magazine, focusing on low-impact nature travel in Scandinavia.

365

The customer magazines of Sweden and Finland's largest outdoor retailer chains: Naturkompaniet and Partioaitta.
